PRESS RELEASE

October 2007

The all-new Buggypod Smorph!

November sees the launch of the latest generation of the award-winning Buggypod ... Buggypod Smorph.

Buggypod Smorph is sleek, black and gorgeous; with a new soft concertina fold footrest, luxury seat pad and a 5-point harness.

The Buggypod range is also launching two new accessories - a seriously cool raincover and sunshade.

The perfect answer for parents who don't want a double pushchair but whose first-born needs a safe comfortable ride from time to time... Buggypod Smorph attaches easily to pretty much any pushchair on the market, transforming it into a two-seater when needed, and folding up neatly when not.

Buggypod Smorph RRP £89.99

Accessories available: Raincover & sunshade

For stockists call 0870 8503463 or visit
